OF AGRICULTURE**

1962

Compiled by
**UNITED STATES
DEPARTMENT of AGRICULTURE
AGRICULTURAL MARKETING
SERVICE**

**Washington 25,
D.C.**

This Directory of State Departments of Agriculture supersedes the directory issued in April 1961. It gives State marketing service agencies and the names of key officials of the State departments of agriculture. Listings include the departments of agriculture in Puerto Rico and the Virgin Islands of the United States, as well as those of the States, and are based on information supplied by the agencies. Listings, insofar as possible, are uniform for each State.

This publication was prepared at the request of various agricultural organizations which expressed a need for this type of information.

Corrections of, or inquiries relating to, these listings should be directed to the Administrative Services Division, Agricultural Marketing Service, United States Department of Agriculture, Washington 25, D. C.
